

## MEMBERSHIP

Joining Pūlama as a member today will impact the change you seek to preserve and protect our stories and cultural landscapes. We believe being able to share the stories with our community and young students in classrooms brings an opportunity to reflect upon our past cultivating curiosity, a sense of place and belonging. We hope to empower and engage the community to support our efforts for our next generation. Our work has the potential to be introduced into our local classrooms and bring school tours around the history of Kona.

Pūlama is driven by a few dedicated volunteers. To become more sustainable we welcome volunteers and donors. Volunteers needed in fundraising, social media post support, membership drive, project task doers, popup shop support. Email [info@pulama.org](mailto:info@pulama.org) to become a volunteer today.
